PLANNING DIVISION**

Dear Cindy:

The Sunday schedule for the Living Word Christian Center (LWCC) is set up so the first and largest attended service is at 9:00am, after which the adults go to bible study and the young adults and children go to fellowship assembly and then finally to bible study at 11:30am. The next group of people arriving would be from 12:30pm, again in the same sequence of general service, after which the adults would go to bible study and the young adults and the children would go to a fellowship assembly and then finally bible study at 2:30pm. I hope this is of help as the arrivals can be perceived as two groups arriving at 1494-1600 California Circle.

Please remember this is a projection of anticipated congregation, which the LWCC hopes to grow into over several years.

Please let me know if you need additional information on the flow of traffic that is anticipated.

Sincerely,

Wayne Okubo
